## **Lost Property**

A warm November has resulted in a mountain of blue jumpers and fleeces making their way to lost property over the last two weeks. We haven't put it outside on display due to the frequent periods of rain, but parents and carers are very welcome to visit the lost property area opposite the staff room to have a look through.

All named items have been returned to their owners, but lots of jumpers, fleeces and coats are unnamed and sit in a large pile waiting to be claimed. Please, please write your child's name on the labels of their clothes – named clothes are rarely lost forever.

### **Football vs St Agnes**

On Monday, we travelled to St Agnes for our first league match of the season and were delighted to see our team win a thrilling match 4-2 thanks to a hat-trick from Callum and a long-range strike by Edie.

Monday also saw our girls play their first friendly match of the season and whilst we lost the game 4-1, it was great to see the girls enjoying playing their first match for the school. Having gone 3-0 down in the first 10 minutes, the girls showed brilliant enthusiasm and effort to draw the second half 1-1.

### **Key Stage 1 visits to Pendennis Castle**

This term, the children in Key Stage 1 have learned about the different features of castles. This week, we have followed that learning up with an exciting trip to a significant place in our own locality, Pendennis Castle!

We learned about how times have changed and compared our lives with those of people living in Tudor times. The children particularly enjoyed a trip down into the dungeon!
