Class 5: Betsie, Wilf, Mia

Class 6: Jude, Harry

Class 7: Theo, Charlie, Amna

Class 8: Maisie, Nate, Annie

Class 9: Harlyn, Aether, Joey

Class 10: Tyler, Violet, William

Class 11: Stan, Evie, Max G

17.03.2023

Class 1: Nova-Rose, Quinn

Class 2: Kizzy, Sofia

Class 3: Norman, Otis, Theo Bur

Class 4: Year 2 campers

Class 5: Year 2 campers

Class 6: Freya, Zane, Rosie

Class 7: Bella Sc, Verity, Charlie

Class 8: Brax, Spencer, Kacie, Sophia

Class 9: Michael, Harry, Lacie, Kaiden

Class 10: Alishba, Lewis, Towan

Class 11: Leo, Isaac, Dylan

Girls Football Festival at Truro College

On Friday, our girls football team took part in a tournament for schools in the Penair and Richard Lander clusters. Reflecting football's growing popularity amongst girls, this was the largest version of the competition to date, with 15 teams taking part and playing with terrific enthusiasm.

Our girls have improved hugely over the course of the year and they enjoyed six matches across the afternoon, winning two, drawing two and losing two. The wet weather didn't dampen their spirits in the slightest and they really impressed with their teamwork and positive attitudes. Well done girls!

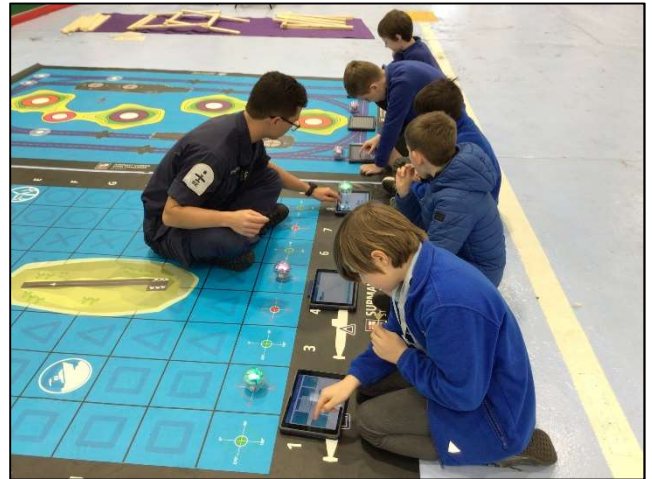

Bosvigo at the Lego League Finals

Earlier this month, our Lego League team had the great pleasure of taking part in the Lego League Regional Finals at RNAS Culdrose. It was a day packed with engaging science and technology demonstrations and activities and our team had a fantastic time taking part in a series of fun challenges.

When it came to the competition element, the Bosvigo robot encountered a few challenges, but our team of engineers made some changes to the coding and its performance improved, achieving a score of 170. Our team report that they came fourth overall, which was a great result. They also won the Royal Navy Teamwork prize for showing such great collaboration across the day.

Well done to all members of the team on a great day!

Years 3 and 4 explore Ancient Egypt at Royal Cornwall Museum

This week, Classes 6, 7 and 8 have had a brilliant time visiting the Royal Cornwall Museum where they have been learning more about the Ancient Egyptians and in particular their beliefs around the Afterlife.

The children got up close with the mummy of Iset Tayef Nahkt, an Ancient Egyptian priest, and were fascinated to learn about his life through the artefacts found in his tomb. They were also thrilled to have the chance to handle genuine Ancient Egyptian artefacts including charms and shabti figures.

Thank you to the Royal Cornwall Museum for once again offering a brilliant educational visit.

Book Trust Illustration Winners

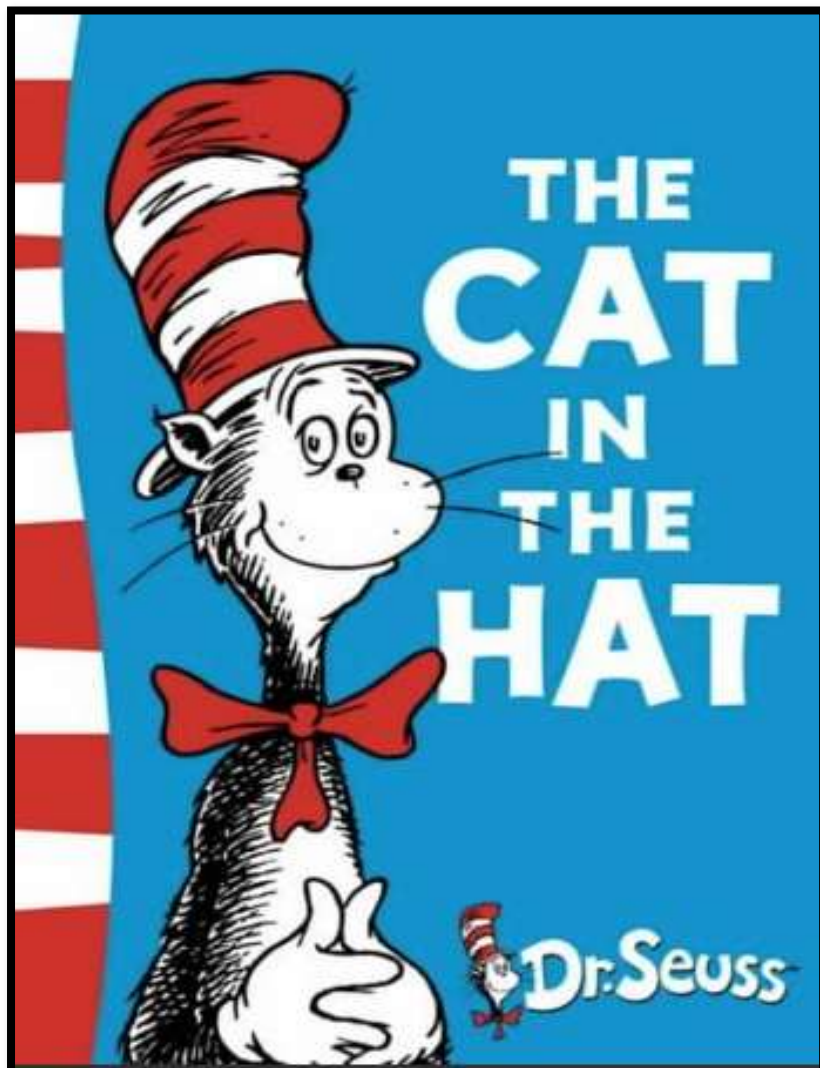

Congratulations to Class 8's Lily and Martha, who were winners in the Book Trust's recent Invent Your Own Animal illustrator competition. Both girls were delighted to receive their book bundle prize!

MISS KEANE'S WEEKLY BOOK REVIEW

I love reading books to my class that are classics which I enjoyed as a child too! The Cat in the Hat is a book where an eccentric stranger (who's a cat!) visits two children, Sally and Sam, who are home alone and having a very dull day. Their mother is out, and when the Cat comes in, he reassures the kids that their mother won't mind him or his tricks! He is flashy, funny and fun BUT if you let the Cat in the Hat into your home, you are going to have a mess to deal with. The children simply love this book as it is silly, hilarious and filled with such great characters!

All books that feature in our weekly review are available to borrow from school. If you hold a library card you can also access them using an app called 'Borrowbox' where you can download audio books and online books for free.

Swimming Lessons

Get your child into swimming lessons!!

AGE: 4+

Lessons run at Truro school prep over the Easter (3rd – 6th April) and for just £28 for the week your child will receive 4 x 30 minutes lessons of well taught swimming.

This is a fantastic swimming pool, ideal for children who haven't learnt to swim, beginners and those seeking to improve stroke technique.

This intensive week is an ideal introduction for new or potential participants who are looking for regular swimming lessons.

It has been shown that children learn and retain new skills more easily over short, intensive periods of time. The week will be invaluable in improving confidence and technique as well as enabling swimmers to move to the next stage of swimming.

For more information and to book a space email us at squidletsswim@hotmail.com stating Intensive swimming course.

STEM IN EARLY YEARS OPEN DAY

Saturday 25 March 2023
10.00 am till 1.00 pm

S=Science T= Technology E=Engineering M=Maths

Children think like scientists and learn by exploring, and observing! Come and take a closer look at how we encourage children to be inquisitive and ambitious thinkers by having fun exploring and investigating our unique STEM in Early Years programme.
